Dear Friends: — I thank  
you very much for parcels  
which come from you, via  
the Canadian Red Cross.

They arrive regularly &  
in good condition. Believe  
they are very much appre-  
ciated. I am sure all  
the Canadian prisoners you  
are likewise helping will  
be as thankful & apprecia-  
tive as your grateful  
Friend
